

Jason Mann

Date of birth: 22/05/2002 | Place of birth: München, Germany | Nationality: German, American | Phone: (+49) 15224256343 (Home) | Email address: 4jasonmann@gmail.com | ID: L2N4TT5Y2 | Address: Marienburgerstraße 9, 81929, München, Germany (Home)

Work experience

Software developer | WWK | 01/04/2023 - 01/04/2024 | München, Germany

20hours/week

Developing testautomation tools in Java

Developing data-analysis tools in Python

Clinical Internship | CAMP | 01/09/2023 - 01/09/2024 | Germany

Processed medical data set with Python

Created deep learning segmentation and tracking network for carotid plaques

Education & Training

Master of Science Informatics | TUM | 01/04/2024 - Current | München, Germany

Field of study Computer Science

Bachelor of Science Informatics | TUM | 01/08/2021 - 01/08/2024 | München, Germany

Field of study Computer Science

Projects

HPC LRZ | 01/04/2024 - 01/08/2024

Optimizing algorithms for High performance computing with LRZ

Optimized C and C++ code for GPU use

Hackatum | 01/12/2022 - 03/12/2022

Created Andriod app for Open Source Map completion

Frontend with flutter

Backend with Django

Language Skills

Mother tongue(s): **German** | **English**

Skills

Java (computer programming) | Python (computer programming) | MLDL libraries PyTorch Numpy Pandas
Scikit-learn Matplotlib | c/c++/c# programming
